

Deal or No Deal Directions/Ideas:

- Get together 8-10 pretty envelopes and write “Deal or No Deal” on the front of them
- Put the Hostess Credit (or discount) Coupons in each envelope
- At the end of the class, hand out an envelope to each guest
- Tell them a little story...
- When explaining the game, point at one person and say “You and 3 other girls” (say it about 4 times with different guests)
- Tell them if they say “Deal!” they also get 10 tickets for a drawing at the end of the night
- If they have their class before a certain date, they get the envelope and another special gift!
- Pick the most likely to book first to get the game off to a good start
- If they say “No Deal”, make them look in their envelope anyway to see what they didn’t get.
- Make sure to do this before your individual closes
- At your individual close, if they said “No Deal” but are really upset that they won’t get the discount in their envelope, tell them it is ok to say Deal and you won’t tell anyone 😊
