

If your answers to these questions are Spooky, Maybe it's time for a change

1. Does your current cosmetic brand leave you looking dead at the end of the day?
2. Are you like a Zombie locked into the same old "make-up" routine?
3. Are your crows feet beginning to look more like cobwebs?
4. Are you *"scared to death"* when you look in the mirror each morning?

5. Does your significant other think every day is *Halloween?*

6. Does the thought of what your skin will look like 5 years from now send *chills up and down your spine?*
7. What condition are your *sprits* in?
8. Is your self esteem 6 feet under?
9. Will your epitaph read *"She looked old before her time???"*

SCARED??????
Don't Be.
I'm here to help!

Hello! I have a Skin Care and Color Cosmetics consulting business with Mary Kay Cosmetics. I would love to "Treat" you to the newest revolutionary products and latest techniques in the industry.

Never tried Mary Kay? You'll be surprised to learn that Mary Kay Cosmetics has been rated the Best Selling Skin Care and Color Cosmetics in the United States for years. Women love our products! I know you will too.

If you don't enjoy taking your makeup off in the mall, or really dislike those expensive buying mistakes that happen when purchasing cosmetics before you get a change to try them on....Then you'll love our "Try Before You Buy" policy and our Prices. Department store quality at less than department store prices!! Tried Mary Kay in the past? You'll be thrilled with the new products developed by Mary Kay's own staff of scientist and dermatologists. Try beautiful new eye colors, lip colors, and Mary Kay's new fragrance, "Bella"

I absolutely love working with women and helping them with cosmetic and skin care questions and concerns, and I'd enjoy helping you. I do consulting appointments in the privacy of your home or mine, at a time that's convenient for you.
