

HALLOWEEN TREAT BAG INSERT

On page 2, there are 8 various slips on 1 sheet. Take a small cellophane bag (can find in the candy making dept at Wal-Mart) and tuck in 1 Halloween slip, tape a penny to bottom of slip...a lipstick or eye sample, and 2-3 pieces of pre-wrapped Halloween candy...tie up with seasonal ribbon.

Work to make up 8-16 treat bags to give away per week!

Here's how to use:

When you see a fun and smiling woman, ask, 'Have you been tricked or treated this week?'

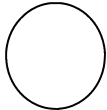

Smile and say, I'm a Consultant with Mary Kay and I'm treating every smile I see to a Boo-tiful Treat...there's a penny in there that'll buy you a **Free Eye Color** if you treat yourself to a one hour Makeover appointment!

Great for meeting women!
