## Tips for a Successful Party...

- Get your guest list to me within 24-48 hours so I can send the invitations.
- Over invite to insure your 50% discount. I suggest 10-12 guests on the list.
- For your outside sales, take your Look book to work, school or show it to your neighbors. Tell them you need 10 orders or \$100 in sales to complete your goal by the day of your party!
- Serve simple refreshments.
- Plan on at least 2 hours for the party.
- Remind your guests that I will have an *On Time* drawing for a cute Mary Kay gift for those who are present at the beginning of your party.

## **Outside Sales for a FREE Brush Set!**

Sell at least 10 items to 10 friends and receive this natural bristle brush set.

**\$48 Value**

Must have 10 sales tickets filled out at the beginning of your party.
