Tips for Success!

1) Invite friends, family, coworkers. Why not introduce people that don't already know each other! Have a few extra in mind in case of cancellations.

2) Call each guest the day before the party to remind them of the time and that there will be a special "early bird" pampering treatment they don't want to miss!

3) Keep refreshments simple and save them in the kitchen for the end so their hands will be free.

Guest List:

A good rule of thumb is to invite 8 or more in order for 4-6 to come!

How to Invite your Guests!

It may seem silly, but just the right words can make your party a huge success!

"I'm so excited... I've just scheduled a _____ with my Mary Kay Consultant on (day) at (time) and she's asked me to invite my favorite people to join us! I thought of you because (you're so much fun, like to play with cosmetic, deserve a some free pampering, etc.) We're going to have a great time and I'd love for you to come. It's by reservation only, so I'll need a definite 'yes' or 'no'. Can I count on you to come?"

Yes: "Great! It's at (location). There will be a special "early bird" pampering treatment so you may want to arrive a few minutes early!"

No: "I understand. Even though you can't make it you can still help us by ordering online or through me. Everything's 100% satisfaction guaranteed so why not try something new!"
