

It's A Girl Thing!

# It's A Girl Thing!

## Script for inviting guests:

Hi \_\_\_\_! This is \_\_\_\_, do you have a minute? I'm calling because my Mary Kay Consultant asked if I would love to hostess an "It's A Girl Thing" party. This is such a fun promotion so, of course, I said yes! And \_\_\_\_, I'm calling you because you

- » Love to hang out with the girls!
- » Need an evening out with friends!
- » Always liven up a party!

We're just going to have some fun and be pampered for an hour and a half. I've set the date for \_\_\_\_\_. Can I plan on you?
