

PERFECT START BUSINESS PLAN:

Perfect for Hobby Consultants (Under 5 hours/week)

Our suggested plan to start your business off right:

- Begin with a suggested \$600 wholesale order.
- Hold a Business Debut! It will give you the perfect opportunity to introduce your new hobby to your friends, as well as facial them to find out what products they'll want. It's an easy way to complete your Perfect Start! Ask each person to bring a friend! From start to finish, your business debut should take around 5 hours for invitations, phone calls to see who's coming, and the actual event.
- You'll complete your Perfect Start by faciating 15 women in 14 days after receiving your Starter Kit. If you would prefer to hold 3-5 classes or 15 facials instead of a business debut--either are great options.

POWER START BUSINESS PLAN:

Perfect for Part-Time Consultants (5-20 hours/week)

- You'll complete your Power Start by faciating 30 women in 30 days after receiving your Starter Kit. Hold 10 classes. Normally as a part-time consultant, you'll want to hold 2-3 classes a week, so this is a great way to start and set the pace for your new part-time job!
