RELAX... LET GO...

Pamper yourself from head to toe!!!

Begin by treating the guest to Satin Hands and Satin Lip. As they arrive guide them to the kitchen and at the sink apply the Extra Emollient Night Cream, Satin Hands and Body Buffing Cream, Satin Hands and Body Cleansing Gel, rub together adding a little warm water to lather, rinse well, dry and apply Satin Hands Hand Cream. On the end of a spatula place a small amount of Satin Lips Lip Mask and apply to lips in a gentle circular motion, take off with wet paper towel, dry lips, apply Satin Lips Lip Balm. Just for fun you can at this time with a Q-tip apply a small amount of the Sun Essentials Sunless Tanning Lotion and have your guest place it on her arm just below the wrist. Give each guest a Skin Care Profile Card and have her fill it out. (Book her for a facial from this.)

Play relaxing Music. Allow everyone to begin soaking their feet in the basin of warm water you've provided. Be sure to add one of the new Rosemary Mint Fizzies to the water. (If you are not using the pedicure set you could add some Satin Hands & Body Cleansing Gel or Body Wash from the Private Spa Collection to the warm water.)

Now is the time to introduce your self and thank the hostess (give her a gift, something like a full size hand cream). Start with the hostess and have the guests introduce themselves.

TimeWise MICRODERMABRASION SET:

This is what I call INSTANT RESULTS! Try it! Love it! Fight fine lines, refine pores and achieve beautifully smooth skin –IMMEDIATELY!!!

Step #1 Refine: the micro-fine crystals (the same crystals used by dermatologists) in this super exfoliating cream immediately go to work to polish and gently remove dull skin. This process energizes the skin and reveals a more radiant, healthy-looking you. Apply this after your 3 in 1 cleanser.

Step #2 Replenish: this nourishing serum has a wonderful restorative effect. It contains a specialty blend exclusive to Mary Kay- the triple tea complex which provides optimal antioxidants and anti-irritant benefits. Skin is instantly smoothed, soothed and softened, preparing it for the next step in your skin care regimen. Follow with TimeWise Day or Night Solution and then TimeWise Age Fighting Moisturizer.

NEW! PRIVATE SPA COLLECTION MINT BLISS PEDICURE SET:

Did you know Rosemary Mint helps to invigorate the senses and stimulate creativity? This is more than a pedicure set – it's a sensory experience. And how adorable is the polka-dot bag? You have been soaking your feet in the New Rosemary Mint Foot Fizzies. The perfect "pick-me-up" for tired feet. Take your feet out of the water and dry. Now massage the rosemary mint energizing foot mask in and let dry for 10 minutes while it revitalizes with a cooling sensation. While that's drying let's go on.

TimeWise VISIBLY FIT BODY LOTION:

This is the lift you've been looking for. What the skin care does for the face, this lotion does for the body. The silky smooth body lotion combines the benefits of our patented Time Wise Complex with the benefits of amino acids and botanicals to help reduce the signs of aging. Each application provides immediate moisture, leaving the skin soft, supple & hydrating for up to 10 hours! Best of all, it firms, tones, increases elasticity, evens skin tones & MINIMIZES THE APPEARANCE OF FINE LINES, CELLULITE & SPIDER VEINS!!!

Now look at the spot on your arm that you placed the Sunless Tanning Lotion. Look how quick it works. To keep a natural look, after my shower, I just simply squirt the TimeWise Visibly Fit Body Lotion in my hand and add the Sunless Tanning lotion to that and apply to my body. A kiss of sun without the damage the sun and tanning beds can have on our skin.

Place your feet back into the water and wash the residue from the foot mask. Dry and massage onto feet the rosemary mint soothing foot balm. I can think of 10 reasons you should add a MK Signature Nail Enamel, pretty toes for Spring!! (if you are not using the Pedicure Set you can apply the Satin Hands and Body Buffing Cream instead of the rosemary foot mask and a lotion from the Private Spa Collection.)
