

Just a quick note to say *thank you* for your business this last month or so. Every time you place your trust in me by placing an order--no matter how large or small--you help me be successful in my business. I love what I do and because of YOU, I get to keep doing it!

As a thank you I would like to offer you a 10% discount on your favorite product when you order within the next 2 weeks (by _____).

Please let me know any time you need even the smallest item. I appreciate you!
