

The Art of Thanksgiving

by Mary Kay

BE BOUNTIFUL!

Have a spirit of thanksgiving
this month!

The art of thanksgiving is “thanksgiving”. It’s gratitude in action. It’s applying Albert Schweitzer’s philosophy of “in gratitude for your own good fortune you must render in return some sacrifice of your life for another life.”

It’s thanking God for the gift of life by living it triumphantly.

It’s thanking God for your talents and abilities by accepting them as obligations to be invested for the common good.

It’s thanking God for all that men and women have done for you by doing things for others.

It’s thanking God for opportunities by accepting them as a challenge to achieve.

It’s thanking God for happiness by striving to make others happy.

It’s thanking God for beauty by helping to make the world more beautiful.

It’s thanking God for inspiration by trying to be an inspiration to others.

It’s thanking God for health and strength by the care and reverence you show your body.

It’s thanking God for the creative ideas that enrich life by adding your own creative contributions to human progress.

It’s thanking God for each new day by living it to the fullest.

It’s thanking God by giving voice, hands, arms, and legs to your thankful spirit.

It’s adding to your prayers of thanksgiving, acts of thanksgiving!!

Let's Talk Turkey!

Remember Thanksgiving is a DAY not a week! Make it one of the best weeks of your year!

SUNDAY: You can fill out your weekly plan sheet and set your sales goal for the week.

Plan telephone time, makeovers, deliveries and interviews. Don't forget to plan your grocery list, shopping time and cooking time as well. Make a list of friends and relatives you will see this week who may need your services.

MONDAY: Plan to attend your weekly success meeting. Be sure to soak up the enthusiasm and knowledge you will need to make this week great!

TUESDAY: Call 25 customers for reorders. All they have to do is answer the phone to have their names placed in a drawing for a free gift or a great discount on their next order!

WEDNESDAY: Make your deliveries! Be sure to take along a basket of extra products and samples of anything new. Give each customer a sampler and watch your sales soar!

THURSDAY: Enjoy Thanksgiving Day with loved ones.

FRIDAY: This is traditionally the biggest shopping day of the year. You can choose to either shop or SELL! You can contact close friends and relatives who are in town for the holiday and offer a complimentary facial or makeover.

SATURDAY: You'll want to check your inventory and get ready to place an order.

Remember to order plenty for your upcoming holiday business and to replenish what you've just sold.
