Preferred Hostess Program

As a Mary Kay Preferred Hostess, you'll receive benefits that other clients only dream of! A Preferred Hostess is a client who provides 3 opportunities for "girlfriend fun" within the next year. You may choose from the following appointments*:

TimeWise Skin Care Class: Have you ever wanted to stop the aging process and have flawless looking skin! This class hosts a 1 hour pampering session for your hands & face along with basic glamour instruction for cheeks & lips! I will assist your guests in the selection of appropriate formulas for their skin types. It's the PERFECT beginners class and a great way to start your Preferred Hostess schedule!

Eye Cream Social: It's all about eyes!. Have you ever wanted to know the shape of your eyes and the correct way to apply your eye shadow to enhance their look? Do you want to get rid of tired eyes, puffiness, lines & wrinkles? You'll say NO to crow's feet and YES to more radiant younger looking peeps! Serve ice cream & favorite toppings as your treat!

Trunk Show ~Holiday Shopping Coffee: This 30 minute pampering preview is perfect for the woman on the go! Shop from your seat instead of your feet! Have your friends over for coffee and cookies, and choose from a beautiful selection of personalized gift sets and baskets. You'll enjoy making your holiday purchases from the convenience of your own home.

Bucket/Spa Party: Do you want soft, smooth legs? Wouldn't you love to pamper your tired feet? Each guest will indulge in revitalizing pleasure as they pamper their feet with Mary Kay's Satin Hands treatment...with a twist! Preview cleansers, lotions, and spritzers from our "Body Care Collection." We'll get those feet as soft as satin and ready for sandals! But we won't stop there...we'll continue to pamper the legs and knees, shaving with pink razors, of course! And by the way...B.Y.O.B. (Bring Your Own Bucket)!

Hot Lips Clinic -A perfect one hour workshop to do before you head out for a night on the town! Invite your most fun girlfriends to buff, exfoliate, soften & age-defy their lips! Choose a gorgeous shade of our MK Signature lipstick to compliment your look. Find out who has the 'hottest' lips in our Hot Lips Contest! Discover your personality style based on the lipstick in your purse! This Class is a blast!
