Mary Kay Cosmetics

Congratulations you are out selling your product, building your customer base, booking classes from classes, adding team members and now you are wondering what do I do for paper work?

This packet has office organizational information and record keeping tools for expenses and income. It is very important that you keep records weekly and/or monthly. Weekly Summary Sheets keep track of your income for your records. I need you to bring me a copy to our Weekly Unit Meeting or send a copy to me if you are out of town and take a copy to your Adopted Director. Monthly you will need to record your expenses.

You will want to take guests to your Weekly Unit Meetings for makeovers/glamour models or whatever your director is promoting for that week. See the 2 informational sheets on this. Also, you will want to start volunteering to help your director/adopted director at these functions. It will help you become involved and to become a leader in your unit.

You are on your way to a very successful career with your Mary Kay Business. I can see you in your Red Jacket sporting your Perfect Start/Power Start Pin, your Power Start Plus Pin and Star Consultant Pin. Pontiac VIBE and Directorship are there for you. My advise is to take all that Mary Kay offers you. Don't just settle for the appetizer, when you can have the whole 7 course dinner offered at Mary Kay's Banquet .

Customer Service Tips

By Senior Sales Director Sarah Hjelle

As a Beauty Consultant it IS our responsibility to service our customers to the best of our ability! Your customers are your lifeline to a successful and growing business! How you treat them will reflect greatly on your success! Study and MASTER customer service skills, because TRULY everyone wants to know... what's in it for me? <u>Focus on at least 100 cus-</u> tomers in your first 6 months!

- <u>Customer Service Begins With a Schedule</u>: It's important that when you begin your business that you make a decision on how often you will service your customers and STICK TO IT! My recommendation is to make customer service calls every 3 months when the Preferred Customer mailing goes out. You will want to train your Time Wise customers to call you when they run out of Cleanser, purchase two at a time, or use your Web Site to re-order.
- Offer Your Customers More Than One Way To Reach You: You will definitely want to
 order your business cards right away if you haven't already! This is the perfect way for your customers to keep your information on file. Include your email address, cell phone number, and Mary Kay
 Web Site address on your card! The easiest way for your customers to reach you is through your
 Web Site—it's open 24 hours and features the latest products! Customers do tend to purchase more
 when ordering on-line. Circle your Web Site address on your business card and inform them of it
 each time you hand one out! Sign up for your Web Site at: www.marykay.com Choose 'intouch'.
- Every Good Customer Should Be On PCP: Following this sheet in your packet is information on how to sign up your first list of customers on the Preferred Customer Mailing. As a new Consultant you may want to sign up your initial 30 faces and as you build new customers you can add, change, or delete names each time the new enrollment form comes out. This is an excellent program designed to help you service your customers and keep them aware of what's new! The average reorder on PCP is over \$15.00 higher than those who are not enlisted! Your goal should be to build to 100 customers on PCP! Call 1-800-458-8968 for your information packet.
- Follow Up Is ALWAYS The Key!! Customers who have purchased products from you but have not been followed up on within a 6 month time period are free to purchase product from other <u>Consultants</u>! By not receiving a phone call from you they are not receiving their promise from Mary Kay! Be sure to follow—up on EVERY Time Wise or 'set' sale—be sure the products are work-ing! Follow-up on samples given in bags or opinions asked on anything!! You can consider a client your customer when she purchases product on a regular basis from you! Does she use the Time Wise Skin Care? Is she on your Preferred Customer Mailing? Does she reorder the product she uses? Is she open to trying new things? OR does she just use a Lipstick or a Mascara from time to time? Often times we mistake a good customer for one who is just ordering one or two items per year just because we really like her! I never consider a customer to be "mine" unless she is purchasing on a REGULAR basis or she is on a skin care, nail care, or body care system with me!

Additional Customer Service Tips

By Senior Sales Director Sarah Hjelle

- Set Up A Delivery Schedule: When your customers call for re-orders give them three options for delivery. You will personally drop it off on ____ or ___ and if that doesn't work...offer to drop in the mail! Run your business—don't let your datebook run you! Choose when you'll deliver!
- <u>Offer A Birthday Club:</u> Send hand written Birthday Cards to each of your customers during the first week of their Birthday month. Offer either a 10% discount for the entire month or offer to stop by and do a complete glamour makeover on them! Don't forget to bring a wrapped gift with! When you call them to wish them a Happy Birthday, let them know you have a gift for them...ask when is a good time to stop by!
- <u>Have 2 Open Houses Per Year:</u> I would recommend having your open house in April and October or May and the first part of November. These are perfect months to advertise for holidays! A spring open house for Secretaries Day and Mothers Day not to mention Birthday's and Bridal showers. A fall open house for Christmas Presents! Whichever you choose you'll want to keep it the same week of the same month each year! It trains your customers!
- <u>Test Panels:</u> Invite your customers <u>often to your local success nights</u> to try new products. It's a service we owe to them! We want to keep of our customers up to date on the current products we carry in our line! OR you could <u>host a product test panel night in your home once per quarter to high-light the new limited edition products!</u>
- Offer Seasonal Re-Programming: It's a good idea to get together with your good clients 2 different times per year. Once in the spring and once in the fall. This will give you the opportunity o make sure all of the products are working out for her skin and see if you need to maybe add a supplement for dryness or oiliness!
- <u>Go The EXTRA MILE:</u> 1) When making delivers or sending anything through the mail—make your products look important. Wrap everything in white tissue or elegant printed tissue. Use a gold sticker to close package. 2) Wrap free gift with purchase in tissue use the same idea as above. 3) Decorate samples with curling ribbon or netting. 3) Tie a pink helium balloon to bag when making deliveries. You want others to <u>SEE</u> the service your customers are getting!
- <u>Send Lots of Notes</u>: It's important to send notes to everyone! Thank the hostess, thank the guest that purchased, thank that guest that didn't but tried the products! Thank your interview prospects, thank your guests for coming to success meetings, thank people you do business with, thank sister Consultants, thank Directors! <u>What you give out comes back to you tenfold</u>!
- <u>As You Grow You'll Need Larger Systems</u>: I have purchase a computer program called Boulevard! It works with MK Consultants and Directors to better track their inventory, weekly sales, and customers! If you would like info go to <u>www.mainstreetsoftware.com</u> or call 503-670-1310 to order. Cost around \$100.

HOW TO INVITE A GUEST TO EVERY UNIT FUNCTION

By using the following dialogue, you can develop the habit of bringing guests to your unit functions and increase your recruiting average!

DIALOGUE TO USE WHEN INVITING A GUEST TO A FUNCTION

"Hello, Jane! This is Sue with Mary Kay Cosmetics. I won't keep you but a minute. Jane, you've been on my mind because (share a special quality she may have—great hostess, customer, a woman of her word, etc.). The reason I am calling is because I would like to invite you to our upcoming (function) as my special guest (a model). It is Wednesday night at 7 p.m. You will be helping me out with my training. I will have a special gift for you just for attending! I can pick you up. Is there any reason why you couldn't attend?"

If you ask one person a day, you will have contacted seven people and should have four yeses. Taking into consideration the possibility of a last minute cancellation, at least two of those you asked should be able to make it. Don't forget to follow up with those who couldn't make it that week. There's always next Wednesday! Get them excited about coming the next time.

FOLLOW UP WITH YOUR GUESTS

On the morning of the day of the unit meeting or guest event, call your guest and say, "I'm just calling to confirm the time and place for me to pick you up. I am really looking forward to showing you off this evening!"

HOW TO INTRODUCE YOUR GUESTS

Use a four-part format, but keep it short!

- 1. Introduce your guest by name
- 2. Tell how you know them or how you met them
- 3. Pay each guest a genuine compliment
- 4. Have each guest tell something about herself

Example: "I'm so pleased to present Jane Brown. Jane is one of my hostesses and she's been using Mary Kay for over two years! She has a positive attitude and loves to look her best, so I know she'll enjoy our meeting tonight. Jane, please tell us a little about yourself."

EXAMPLES OF INTRODUCTIONS

- I am happy to introduce you to...
- Let me acquaint you with...
- I am honored to present my guest...
- I want you to meet my guest...

EXAMPLES OF GENUINE COMPLIMENTS

- Jane has a dynamic personality.
- Jane is a woman of her word or integrity
- Jane works with the public and she really knows how to look her best.
- Jane is one of my preferred customers.
- Jane is one of my best hostesses, and her skin care classes are a pleasure to hold.

AVOID SAYING:

"This is Jane Brown, and she's here to look us over" or "This is Jane Brown, and I've been working to try to get her to become a Consultant." It may embarrass her.

Practice saying introductions out loud until they become second nature to you. This will help increase your confidence and make your guests feel more at ease.

START PLANNING NOW WHO YOU'LL BRING TO OUR NEXT UNIT FUNCTION!

THINGS YOU WILL NEED TO BRING WHEN FACIALING A GUEST AT A UNIT MEETING

At each unit meeting, there will be someone scheduled to do facials that evening. Guests are always welcome at our unit meetings! If you are bringing a guest, you should arrive 30 minutes early to set up for your guest(s). You are not responsible for actually doing the facial. However, there are some things you will need to bring to the meeting when you have a guest. In addition to bringing a small gift for your guest(s), please make sure you have one of the following items with you for each guest:

- Mirror
- Head band
- Three cotton balls
- Two facial cloths (they need to be damp)
- Mascara wand
- Sponge tip applicator
- Sponge for blending foundation
- Color Card
- Beauty Book
- Sales ticket
- Customer Profile Card
- Ink pen

Before the class or facial begins, please have these products on the tray in this order, left to right in the tray:

- 1. Timewise Cleanser
- 2. Timewise Moisturizer
- 3. Instant-Action Eye Cream
- 4. Yellow concealer (very small amount)
- 5. Triple-Action Eye Enhancer
- 6. Foundation shade (pre-selected)
- 7. Powder
- 8. Color Card
- 9. Lip Liner
- 10. Eye Liner

Read this list and memorize it! This is the format we will use EVERY week when we say basic skin care. This is what I feel is necessary to demonstrate the basics. The person conducting the class will provide Oil Free Eye Makeup Remover, Satin Hands, and mascara. The person conducting the class will also present marketing and close the class with sets available to view. It is your responsibility to meet with your guest(s) *after the meeting* to finalize sales and discuss recruiting possibilities.

INSTRUCTIONS - WEEKLY ACCOMPLISHMENT SHEET

Please note: The weekly accomplishment sheet is not a complete summary for income tax or accounting purposes.

Hostess Name, Address, Phone

For selling appointments, list the hostess's name, address and telephone number. You might wish to make hash marks (III) to keep track of the number of calls you make when following up with customers. Do not list each call separately.

Date/Time -

Record the date and time of the activity.

No. of Skin Care Sets Sold -Record the number of skin care sets sold at each activity.

No. of Bookings Record the number of future selling appointments booked from each activity.

No. of Orders

Record the number of orders you received from a selling appointment, follow-up calls, etc.

No. of Calls/ Guests

Record how many calls you made if following up with customers. Record how many guests were present at a skin care class or other selling appointment (including hostess).

No. of Hours Invested -

Record how long an activity took to complete.

Sales Tax Record the total amount

of sales tax collected.

Sales (Less Tax)

Your retail sales total from sales tickets before tax (suggested retail sales before tax less any discounts). Separate by type of selling activity (skin care classes, shows, reorders, etc.).

Product Given Away at Sugg. Retail

For inventory replacement purposes, record the suggested retail value of any Section I product you give away as hostess credit, sales incentives. i.e., a lip protector given with the purchase of several Sun Essentials® products, or any products for personal use. When product is sold at less than suggested retail, record the amount of the discount (in dollars). For example, if you gave a customer a 10 percent birthday discount off an order totaling \$50, the discount amount appearing in this column would be \$5. By adding the sales less tax column to this column you will know the suggested retail value of the amount of product that has left your inventory during the week.

Hostess Gifts/ GWP at Cost

Record your cost for any hostess gifts (other than Section I product given away), gifts with purchase or Preferred Customer Program premiums you give away. This does not include Section I product given away.

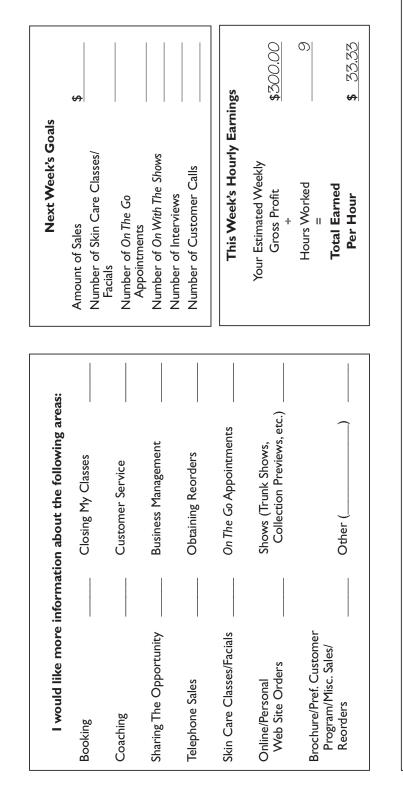

Non-Recovered Sales Tax

Sales tax based on the suggested retail value of the product is remitted to the Company at the time an order is placed. Normally this sales tax is recovered at the time you resell the product to your customers. When product (Section 1) is given as hostess credit or sold at a price less than suggested retail, you may not recoup the sales tax from your customer in this manner. Record the amount of non-recovered sales tax on any Section 1 items, for use in tax preparation.
