

# A Perfect Look For Your Wedding Day

Since we all know how wedding expenses can quickly add up, I would like to offer you and your attendants a **free** beauty consultation and pampering session.

By scheduling time for your pampering session several weeks before your wedding, you will:

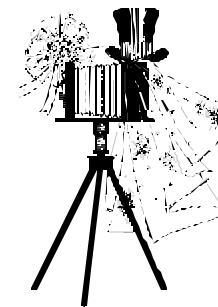

- ?? Learn how to achieve a lovely complexion, not just for your wedding day but for everyday!
- ?? Receive color suggestions and makeup artistry tips for enhancing your natural beauty.
- ?? Learn how to achieve the look you want for you and your bridal party—coordinating colors for your day.
- ?? Pre-approve color selections and know you are satisfied with the look you will be wearing for your wedding day.
- ?? Receive tips to be assured that your look will photograph well for those lasting memories.

There's no need to pay a premium price for someone to do your makeup for your wedding, as well as take the chance that you may not be totally satisfied with the look!

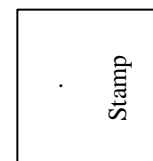

As your consultant, if you would like, I will even come the day of your wedding, at no charge, to assist in recreating your desired look.

Suitable gifts for your attendants are also available, and gift-wrapping is free!

Call today, or drop the attached reply card in the mail, and let's discuss how I can help you look your best on your wedding day.
