# How Does It Work?

After your complimentary "Makeover" we'll take your photograph for the bio-page and include your business card. I get your opinion of our products! And...since "Word of Mouth" is the best form of advertisement I would like you to refer me to your friends as well.

My Networking Portfolio refers you and your business to all of my clients. It is also shown at all my classes and to other participants to demonstrate and promote everyone's business.

After 100+ women have been profiled everyone receives a referral list of all participants and their business!

Please be one of the "Women Helping Women" by sharing this opportunity to other professional women you know!
